

Accessibility Statement

Effective Date: October 1, 2026

Vaulted Greens is committed to providing a welcoming experience and reasonable access to our website, membership services, and physical facility for people with disabilities.

Website Accessibility

We are working to make our website and digital content usable by as many people as possible, including people who use assistive technologies. Our goal is to follow recognized accessibility practices, including appropriate text contrast, meaningful headings, keyboard-accessible navigation where supported, alternative text for meaningful images, readable link text, and captions or transcripts for important video content when practical.

Because our website may link to third-party platforms, including membership, reservation, payment, or video services, some content is controlled by third parties. We encourage those providers to offer accessible experiences and will work to provide reasonable assistance when a barrier is reported.

Facility Accessibility

Vaulted Greens operates in a renovated historic building. The facility includes an accessible route to the primary golf activity areas, including ramp access and an elevator serving member-accessible levels. An ADA-accessible parking space is planned near the accessible entrance. Members or guests who need assistance with an accessible route, elevator use, seating, or another reasonable accommodation are encouraged to contact us before their visit so we can help coordinate access.

Feedback and Assistance

If you have difficulty accessing information on our website or using the facility because of a disability, please contact us. Tell us the page, feature, or area involved and the type of assistance you need. We will make reasonable efforts to provide the information or service through an accessible alternative and to address the barrier.

Accessibility Contact: vaultedgreenscb@gmail.com

Phone: 402-618-3175

Mail: Vaulted Greens LLC, 13505 Seward Street, Omaha, NE 68154

We welcome accessibility feedback as part of our ongoing effort to improve the member experience.
